GRANITE STATE COMICON

Welcome to the All New, All Different Granite State Comicon!! We're extremely excited for this year's convention as we **DOUBLE** our footprint with the addition of the SNHU Arena. Those of you that have attended Granitecon over the past few years have noticed that things have been getting tighter and tighter at the Doubletree. When we saw the direction things were headed in, we put our heads together to find a way to continue to grow. Many people suggested we move everything into the arena, but that would have led to the same problem, as that building would also fill fast. So we thought to ourselves; "What if we added the arena as a second location?" And we were off and running!

The extra space has come in extremely handy as we see a huge influx of Turtle Power to celebrate the 40th Anniversary of the Teenage Mutant Ninja Turtles who were created by Eastman & Laird just 45 minutes from Manchester in Dover. We're thrilled to have Mr. Kevin Eastman back for the 3rd time during this special anniversary, along with so many talented writers and artists who have worked on the turtles over the decades. You can meet Kevin and all of our artists guests over at the Armory on the North Side of the hotel. The Armory is jam packed with incredible talent!

For the 40th Anniversary of the TMNT, we had to go big; we're pleased to have the original voices of the animated turtles back along with actors from the 1990 Live Action Movie as part of the "Turtle Shellabration!" You can meet them over at the SNHU Arena along with Feature Presentation's Turtle Sewer Lair and Rooftop sets. Also at the SNHU Arena are our costume groups, movie cars, vendors, and the first ever "Big Dumb Robot Con" which features an awesome variety of robots you know and love from the small and big screen.

In both buildings there is a lot to see and do, including the ever expanding "Victory Condition Gaming Lounge" on the north side of the hotel, Kids Con New England with programming for our youngest attendees, and our friends at Calm Passion with a Calmer Space at each building for those that need a break from the hustle and bustle of the con. Within this program you'll find everything you'll need to navigate Granitecon - maps, schedule of events, a list of guests (and where to find them), where to get food, and more!

We hope you take the time to explore everything the newly expanded Granite State Comicon has to offer. The expansion has been a long time in the works and we would like to thank Erik Lesniak from the City's Economic Development Office for helping us make the connections for this to happen. We have **BIG** plans for our event over the next few years, and we can't wait to share them with you. Our roots are deep in Manchester and we love putting together this event in the Queen City. Watch for announcements for 2025 to begin later this fall.

So, go on out, and have a great time letting your geek flag fly! Take lots of pictures, and post them to your socials, making sure to tag us (#granitecon) so we can see the event through your eyes. Make plans to be back here the third weekend of September 2025. And thank you for attending the 2024 Granite State Comicon, we hope you have a great time!

Chris, Scott, Brett, Allen, Sarah, Pat, Crystal, Joe, and the entire Granitecon Team
